**Harrell Field, Pisgah, MS (MS08)**

**2600 Ft. Grass Runway**

**Monitor 122.90 MHz**

**Address of field:**

**Harrell Drive, Brandon, MS 39047**

*\*Lunch served at noon\* Airplane rides usually available for donations. FREE (for the little ones) Tow Along (kiddie planes) they can pilot themselves.*

Plane attendance is subject to weather, but we usually have several types, including PPG, ultra lights, gliders, military, experimental, and general aviation. We sometimes have fly-bys of various military or experimental high performance aircraft. We strive to be safety conscious and have an "Air Boss" on the field to coordinate traffic and parking.
